FORUM

VACUUM
DIE CASTING

FOUNDRIES WORLD TOUR

May 30-31, 2018
Vevey Switzerland
[Program and Registration](#)

TOPICS

Worldwide overview of the most innovative vacuum die casting applications.

Take the unique opportunity of this Forum to gain a comprehensive overview of the technical requirements, challenges and potentials of vacuum die casting applications mastered by leading foundries.

SPEAKERS

Fondarex is inviting 18 outstanding foundries from 12 different countries to speak on their latest production achievements in the aluminum and zinc die casting sectors.

EVENTS

In addition to the exclusive 18 presentations, 2 podium discussions, as well as 2 festive dinners will be organized.

NETWORKING

The Forum provides opportunities to network with renowned die casters from across the globe who are active and influential in the automotive, motorcycle, electronics and household appliances industries.

ATTENDEES

For the first time, this Forum is dedicated to foundrymen speaking to foundrymen.

Some 250 representatives from over 20 different countries are expected to attend the 3rd International Forum on Vacuum Die Casting.

OPEN DAYS

Fondarex warmly welcomes you to take a tour of its facilities on May 29 and June 1, 2018 to view the company's latest developments.
